❖ Approbation du PV du comité directeur du 15/07/2021

Corriger l'intitulé de la régate internationale sur bassin de Vaires en Championnat du monde Juniors (U19).

A ce sujet Jean-Pierre Leroux nous informe que le département du 77 souhaite subventionner cette manifestation. Le budget estimé pour ce type de régate est de l'ordre de 500 000 à 700 000€. Certains membres s'étonnent de ce montant.

Le PV est approuvé à l'unanimité.

* Retour Traversée de Paris et organisation 2022

Bilan de la régate commenté par Pedro Ferreira.

2021 ne sera pas l'année du record de participants, pass sanitaire et covid en cause, mais ces derniers restent tout de même très contents de leur journée, voire très enthousiastes à l'image des participants espagnols. A noter le nombre en hausse de participants étrangers (environ 33 bateaux, contre 22 pour la province et environ 60 franciliens).

Concernant l'organisation commune entre le kayak et l'aviron, le torchon brûle. Le kayak se plaint de décisions prises unilatéralement et l'aviron de l'absence de bénévoles du kayak, ce qui pèse sur l'ambiance. Tout de même, le jour J les bénévoles des 2 disciplines se connaissant par ailleurs, ont su passer outre ces tensions.

Organisation 2022 : débat sur le choix de la date. Alain Tassy se charge de rencontrer Eric Bachoffer pour présenter les disponibilités de la ligue.

Retour Championnats de France J18 et Seniors Bx longs Mantes La Jolie

Ces championnats se sont parfaitement déroulés et pour la Lifa c'est une très bonne année puisque les résultats des franciliens de ce week-end lui permettent de devancer la ligue Auvergne-Rhône-Alpes. (Résultats en annexe)

- 5 titres: J18H2x Corbeil, SH4- PL Boulogne92, SF2x PL Boulogne92, SF4- Encouragement, SF4x Encouragement, PR1 Mix2x Corbeil-Ess. en mixte avec Douai), PR2 SH2xBoulogne92

- 7 deuxième place : SH4+ Boulogne92, J18H4x SN Haute Seine, J18H8+ Joinville, J18F4- Le Perreux, J18F4x SN Haute Seine, SF8+ Boulogne92, PR2 SH2x Boulogne 92
- Troisième place: SH2+Le Perreux, SH2x PL Corbeil, J18H4- Meulan Les Mureaux, SH4- PL Basse Seine, J18H4x Lagny, SF2x Mantes, SF2x PL Encouragement, J18F4x Joinville, SF4x Joinville, SF8+ Basse Seine, PR3 Mix2x Boulogne92

Seul bémol sur les catamarans qui suivent les courses pour les retransmissions et masquent certains bateaux. Yvan précise qu'au niveau international les catamarans sont autorisés à gêner les rameurs(ses) et faire des vagues lorsque les deux derniers bateaux sont très distancés (hors course).

❖ Préparation Réunion des clubs le 13 octobre 2021

Au cours de cette réunion les échanges avec les clubs porteront sur leur analyse de 2021 et leur projection pour 2022, l'appréciation sur les prises de licences, les aides financières, point sur le forum des entraineurs et les problèmes des clubs pour recruter...

❖ Point avec les commissions sur les actions à venir

Commission formation: Toutes les formations sont en présentiel.

Malheureusement la pandémie a mis un gros coup de frein aux autres actions. <u>Commission sportive</u>: une partie du travail sera présenté ce week-end avec les sélections pour les équipes de ligue en vue de la Coupe de France.

<u>Commission loisirs</u>: 3 réunions se sont déroulées par zoom avec des échanges sur les astuces des uns et des autres pour pouvoir ramer pendant le Covid. Une réunion se tiendra demain sur les futures régates à venir notamment l'organisation de la Yole Cup, et le projet de réaliser un stage hivernal.

<u>Commission santé</u> : le 12 octobre formation pour « Mon bilan sport santé » présentée par Vincent Berger.

<u>Commission CDA</u>: travail préparatoire pour l'achat de matériel à reprendre. <u>Commission manifestations</u>: avec toutes les régates qui se déroulées sur le bassin de Mantes La Jolie, la commission manifestations n'a pas « chômé ».

Toujours en projet un stage de formation à destination des bénévoles, mais pour l'heure sans consistance. Travail avec SNSM pour formation « noyade ». Commission scolaire : en projet : démonstration des Grandes Ecoles lors de la Coupe de France 2022 ou régates Grandes Ecoles.

❖ Action communication : Actu.fr

Bilan négatif au vu du montant investi (500 clics sur 800 000 parutions).

* Rentrée du pôle

18 scolaires inscrits (une seule défection) avec parité homme / femme. Rentrée positive. A noter un problème concernant la livraison de bateaux. Alors qu'ils entamaient leurs séances d'ergo, les rameurs(ses) du pôle ont pu croiser la route du consultant exécutif de la haute performance en la personne de M. Jürgen Grobler en visite sur le bassin de Vaires.

Point licences

Cette année, la ligue n'est pas loin de réaliser sa meilleure rentrée depuis 4 ans en termes de nombre de licences, à titre d'exemple Tifenn nous communique les évolutions suivantes :

Au 30 septembre 2021,

- hausse de 40% des licences A par rapport à la rentrée 2019
- hausse de 25% des licences A par rapport à la rentrée 2020
- hausse de 9% des licences A par rapport à la rentrée 2018

NB: à cette date tous les clubs n'ont pas terminé leurs inscriptions. En fin d'année seulement nous pourrons mesurer un éventuel impact post JO, ceux de Rio 2016 s'étant traduit par une hausse de 6%.

Point financier

La situation est nettement plus confortable qu'elle ne l'était en juillet. A ce jour le solde comptable est de 128 899€ contre 126 033€ au 19 octobre 2020 et de 96 815€ en novembre 2019.

Questions diverses

Jean Belleval : Remise en état des pelles par Aviron Renov' pour un premier lot en test avant de refaire la totalité.

Jean-Pierre Bremer : le projet d'une manifestation à J-1000 des JO sera orienté plus probablement sur les J-500.

Fin de séance 22h
